**PRAYER BEFORE WORSHIP:** Dear Lord, give me my daily bread. You have blessed me beyond what I, a sinner, could have ever expected. I have enough; what is more, I am content. Bless those who have little. Many are starving; many are without clothing and shelter. Provide for them today. Open your hand and satisfy their desires. If you place before me an opportunity to help them, open my heart and enable me to respond generously and single-mindedly. Amen.

**COMMUNION:** Since Gloria Dei values very highly the special treasure that God gives us in Holy Communion, and since Scripture also says that one can receive Communion to his own great harm (I Corinthians 11:23-32), we ask that only those who are members of our parish, or another WELS congregation come to the altar for the sacrament. **All visitors wishing to receive the Sacrament are asked to speak to Pastor Himm before the service.** Instruction classes to become a communicant member are available throughout the year. Please contact Pastor Himm for more information.

**SPEAKING OF FELLOWSHIP:** We are consistently seeing the same families serving us, and we would love to see some fresh faces behind the counter on Sunday mornings. We need some new volunteers to pick up and serve refreshments following the service. Take a moment to look at the sign-up sheet on the bulletin board and see if there is an open Sunday that you could sign up for.

# Pictorial Directories are here!

Our long awaited pictorial directories are finally here. They are on a table in the fellowship hall for you to pick up.

## **A couple of instructions for you about your directory-**

- If you had your picture taken, or submitted a picture you received a pictorial directory, if you did not have your picture taken or submit a picture there is a paper copy of the directory there for you.
- Each directory is labeled. Please make sure you take **your** directory.
- In each directory there is a packet explaining how to access the phone app with our directory on it. Each family has their own access code, which is why it is important you take the correct directory. If you lose your access code please see Val Hoppe, she can generate a new one for you.
- Access codes are case sensitive. You only need to use it the first time you log in, after that you will be able to open the app without the code.
- If there is a mistake, you move, or change phone numbers, please let Val Hoppe know. She can change addresses and phone numbers in the paper directory and the phone app.
